#### Interface Domain Documents

<http://www.oa.mo.gov/itsd/cio/architecture/domains/interface/standards.htm>

The Interface domain group has now moved into maintenance status. Although the list is not complete of all approved documents related to Interface standards/guidelines/best practice, most are located at the above address. Check back for updates. If you see any interface-related areas not covered or have questions please contact the domain chair, [keith.townsend@ded.mo.gov](mailto:keith.townsend@ded.mo.gov)

#### December Emergency Google Fix

In mid-December, a fix went out to agency Google contacts about applying an emergency fix to the XSLT. This manual fix will be updated in the next update to Google sometime in Q1 07. If you have questions, please contact [therese.fick@oa.mo.gov](mailto:therese.fick@oa.mo.gov).

#### Dreamweaver/Contribute topic on ITSD Development Forums

<http://cio.intra.state.mo.us/cs/forums/25/ShowForum.aspx>

A topic for Dreamweaver/Contribute has been added on the ITSD development forum. Please contact: [bill.bott@oa.mo.gov](mailto:bill.bott@oa.mo.gov) if you would like other topics added to the forum.

#### Mailman Listserv – Debbie Boeckman

Update – Mailman now has a feature where you can have your subscribers subscribe to different 'topics' for a given listserv. This will allow you to have different targeted topics using the same listserv.
